

Advanced Laparoscopic/Robotic and Endourology Fellowship
McMaster Institute of Urology at St. Joseph's Healthcare, Hamilton, ON

We are currently accepting applications for the 2021-2022 Laparoscopic and Endourological Fellowship Program. This Fellowship is open to Canadian urology graduates. The fellow will have the opportunity to work with 5 laparoscopically trained urologists at St. Joseph's Hospital in Hamilton. Over 350 laparoscopic and robotic cases were performed last year at our centre. They will have exposure to advanced and robotic laparoscopic urologic surgery including: laparoscopic pyeloplasty, donor nephrectomies, partial nephrectomies, prostatectomies, adrenalectomies, lymph node dissections, ablative technologies. There will be significant exposure to tertiary care endourology including percutaneous nephrolithotomy with access, ureteroscopy and ESWL. A protected research time is provided for the fellow. **Current PGY-4's** interested in this fellowship program should send a cover letter, CV and 2-3 references directly to Dr. Edward Matsumoto Fellowship Director.

Edward D. Matsumoto M.D., M.Ed., F.R.C.S.C.
