

Bladder Cancer Forum (BCF) 2023

March 31 – April 1, 2023

Kingston, Ontario

The CUA Office of Education is pleased to announce that it will be partnering with **Bladder Cancer Canada** and Dr. Peter Black, Chair and Dr. Kala Sridhar, Vice-Chair, of Bladder Cancer Canada's Medical Advisory and Research Board, to organize this important educational event dedicated to research and treatment of bladder cancer.

This live meeting will host over 60 participants from a multi-disciplinary setting, with urologists, medical oncologists, radiation oncologists, clinicians, scientists, researchers, and patients.

To make this meeting a success, it relies on financial support from its partners in industry with sponsorship levels as follows:

The sponsorship levels are as follows:
