

## LOCUM / FULL TIME UROLOGIST

The Department of Urology of Eastern Health invites expressions of interest for a Urologist locum and/or full-time position at the Health Sciences Centre (HSC).

Eastern Health is the largest integrated health organization in Newfoundland and Labrador (NL). It employs over 13,000 employees, provides services to a regional population of more than 300,000 and is responsible for provincial tertiary health services.

The successful candidate will join a group of 7 urologists and 3 nurse practitioners at HSC. Payment structure will be fee-for-service. The urologist will have equal access to hospital resources including clinic, day surgery, and operative time. On-call coverage is required and shared equitably within the group (1:8).

The Health Sciences Centre is a teaching hospital affiliated with the Faculty of Medicine at Memorial University. This provides the candidate with the opportunity to engage in educational experiences with both surgical residents and undergraduate medical students.

To be considered candidates must hold a medical degree and have certification by the Royal College Physicians and Surgeons of Canada Certification (or equivalent) in Urology. Preference will be given to candidates with Uro-oncology fellowship training or demonstrated focus in bladder cancer and expertise in radical cystectomy. All applicants must be eligible for licensure to practice by the College of Physicians and Surgeons of Newfoundland and Labrador and must be granted privileges by Eastern Health. All qualified candidates are encouraged to apply, however, Canadian citizens and permanent residents will be considered first for this position.

Applications must include an up-to-date curriculum vitae, a description of previous specialty training, and demonstrated aptitude for working in a multidisciplinary oncology team approach. This application will remain open until the position is filled.

Interested persons meeting the above qualifications should forward their curriculum vitae with contact information of three references to:
