

**LOCUM & Permanent - UROLOGIST OPPORTUNITIES
Grande Prairie REGIONAL HOSPITAL
GRANDE PRAIRIE, AB**

[Meet Your New Grande Prairie Regional Hospital - YouTube](#)

The Grande Prairie Regional Hospital is actively recruiting for Urologists, with permanent and locum positions available.

Training and expertise, including but not limited to laparoscopy, ureteroscopy and flexible cystoscopy procedures is desirable.

***Recruitment incentives are available.**

The Grande Prairie Regional Hospital is a 250 bed acute care facility with a busy emergency department, ICU, NICU and specialty services in OB/Gyn, orthopedic surgery, general surgery, ophthalmology, ENT, urology, palliative care, pediatrics, and psychiatry as well as radiation therapy services which became available with the opening of the new Hospital.

The City of Grande Prairie is an economically strong and culturally diverse large urban centre, with a population of 75,820 and catchment area population of about 250,000. Grande Prairie provides a wide choice of recreation, education, shopping and entertainment opportunities. Grande Prairie is a full service urban centre with a Multiplex Recreational Centre, a Community College, numerous cultural events, alpine & cross country skiing, mountain biking, camping and more.

The Grande Prairie Regional Airport Grande Prairie Regional Airport connects the region to the Calgary and Edmonton international airports with daily scheduled flights provided by Air Canada and WestJet www.grandeprairieairport.com
