

Hiring Urologist

In Nanaimo, BC

The Division of Urology with Island Health has an opening for a full-time Urologist to practice with three other Urologists at the Nanaimo Regional General Hospital.

Qualified applicants have achieved, or are eligible for FRCSC in Urology and full licensure with the College of Physicians and Surgeons of B.C. We are seeking for applicants with training in laparoscopic, open and robotic urological oncology.

The Nanaimo Regional General Hospital (356 acute care beds) features state of the art operating rooms and serves an immediate population of 160,000 and a secondary referral population of over 350,000.

Academic affiliation with the University of British Columbia (UBC) and the Island Medical School postgraduate and undergraduate programs is available, and Nanaimo Regional General Hospital is a UBC Postgraduate Family Practice Residency Program site with 16 family practice residents.

At Island Health, we recognize, gain knowledge and respect the differences in each individual we serve. The right to feel culturally safe is for everyone.

Community Information

Nanaimo is a vibrant community rich in history and culture. The city is home to over 104,000 residents, making it one of the largest urban centers on the island. Nanaimo boasts a dynamic economy and a thriving arts scene, all set against the backdrop of its stunning waterfront and lush forests. This forward-thinking city places a strong emphasis on sustainability and community well-being, fostering an inclusive environment for all its residents.
