

### **Urology Position at Joseph Brant Hospital**

Join the Department of Surgery at Joseph Brant Hospital (JBH) with a full time hospital-based appointment in the Division of Urology. We are a busy, full service academic community hospital servicing the city of Burlington with a population of 183,000.

Our comprehensive Surgery program (General Surgery, Gynaecology, Plastics, Vascular, Urology, Ophthalmology, Orthopaedics, Otolaryngology and Dental) performs over 11,000 surgeries each year. Our hospital has a 24 bed closed ICU with dialysis, a Cancer Centre and an Emergency Department with more than 50,000 patient visits per year.

Start date would be the third quarter of 2023 (with potential flexibility depending on incumbent's availability) with a planned six month transition from shared to full resources, with equitable access to operating room time and ambulatory clinics and expectation of equitable call coverage (1 in 4 weekdays, 1 in 9 weekends).

We are a clinical education campus of McMaster University and candidates with strong teaching skills/experience will be given preference as a teaching commitment is required.

Candidates must be a Fellow of the Royal College of Physicians and Surgeons of Canada and registration with (or eligibility for) the College of Physicians and Surgeons of Ontario are required.

Established physicians and graduating residents are both encouraged to apply.

Applications (CV and a letter of interest) will be accepted through the Medical Affairs Office at [medicalaffairs@josephbranthospital.ca](mailto:medicalaffairs@josephbranthospital.ca) until March 17, 2023.
