

Urologist

Saskatchewan Health Authority – NE- Prince Albert

An opportunity exists to engage in a diverse and high quality Urology Practice in a busy fee-for-service setting in the NE area of Saskatchewan. The Victoria Hospital serves a population of approximately 45,000 and is a referral center for the whole of Northern Saskatchewan. Other surgical services include, General Surgery, ENT, Orthopedics, Ophthalmology, Obstetrics and Gynecology. There is functional 8-bed intensive care unit.

Guaranteed weekly OR access and a generous amount of procedural time in the ambulatory care and endoscopy units will be available to the successful candidate upon arrival. There will be an opportunity to perform urology surgery laparoscopically. The program is complimented with a high quality anesthesiology program and a day surgery unit, which has extended hours for patient recovery.

The region and our departments/sections are committed to our members achieving a "balanced lifestyle" and recognize the importance of professional, family and personal priorities.

The successful candidate will join our team to provide comprehensive Urology services to the patients of North East Saskatchewan at the Victoria Hospital. This position requires a scope of practice that will include clinical practice inpatient care, outpatient care, emergency consults and specialist on-call coverage. Elective OR runs from 0730 to 1600 hours. Call expectation is approximately 90 days. The candidate may seek academic appointment with the College of Medicine, University of Saskatchewan.

The successful candidate will be a Fellow (or be eligible for Fellowship) with the Royal College of Physicians and Surgeons of Canada (RCPSC) in Urology. Candidates should be eligible for licensure with the College of Physicians and Surgeons of Saskatchewan (CPSS). Preference will be given to University of Saskatchewan graduates and individuals with strong ties to Saskatchewan. This individual should be a team player, be able to interact effectively with patients, colleagues, staff and management, and function well in a high volume environment with a commitment to provision of high quality patient and family-centered care. In accordance with immigration requirements, preference will be given to Canadian citizens or those who have Permanent Landed Resident status.

The SHA is the largest organization in Saskatchewan, employing over 44,000 employees and physicians responsible for the delivery of high quality and timely healthcare for the entire province. We are driven by the commitment to improve frontline patient care for Saskatchewan people, and we are working together to better coordinate health services across the province to ensure that patients receive high quality, timely healthcare, wherever they live in Saskatchewan.
