**Submission deadline is April 30<sup>th</sup>, 2021.**

The position of **Vice-President** involves a 4-year commitment, transitioning from Vice-President to President-Elect, President, Past President. Throughout the term, the elected Officer will also serve in various capacities on the Bylaws, Nominating, Finance, Awards and Endorsement Committees.

The **Executive Member-at-Large** voting positions speak on behalf of the geographic regional members to the CUA Board. The commitment involves attending 2 CUA live Board meetings, usually held in January (Montreal) and June (annual meeting venue). Throughout the term, they also serve on the Health Policy Committee.

The following non-voting Chair positions commit to attending 2 CUA Board meetings in January (Montreal) and June (annual meeting venue), to submit a written summary of their committee activities. Participation in a minimum of 2 committee conference calls/ZOOM meetings throughout the year is required. CUA staff are available to support administrative needs.

The **Health Policy Committee Chair** heads a committee that concerns itself with economic issues associated with the practice of Canadian urology (monitoring work force needs, provincial fee schedules, and resource utilization).

The **Patient Information Committee Chair** heads a committee that is responsible for producing educational material aimed at the public and patients. The Chair also serves on the CUA Guideline Committee.

The **Continuing Professional Development Committee Chair** heads a committee that provides accreditation and liaises with the Royal College of Physicians and Surgeons of Canada for group learning activities. The Chair aids the CUA Office of Education in member needs assessments. The Chair also serves as a member of the Annual Meeting Scientific Program Committee
