

# CUA Community Urologist Continuing Professional Development (CPD) Grant Program

## TERMS OF REFERENCE 2022-2023

### OBJECTIVE

The objective of the CUA Community Urologist CPD Grant Program is to support Community Urologists in scholarly initiatives that improve urological care in Canada.

### AWARD

Each year, a maximum of \$15,000 may be awarded, with no fixed number of grants allotted. For example, in one year, there might be one grant of \$7000, and two grants of \$4000 awarded, for a total of \$15,000 awarded for three grants. Awarded applications must meet the Program's stated objective.

Priority will be given to first time applicants.

### CONDITIONS OF AWARD

Applicants must be Active CUA Members, practicing in Canada, who do not have a full-time academic appointment with a Canadian University.

Applications must include a detailed budget including all additional funding sources and amounts. The budget may include travel, accommodation, and meal expenses, as per the [CUA Guidelines for Expenses and Travel](#)).

Examples of activities appropriate for funding include (but are not limited to):

- Courses or training on new technologies or techniques or advanced medical therapeutics
- Leadership or Practice Management Courses
- Courses or professional development Programs from universities, academic institutions, provincial or national medical associations, AUA, EAU, or CUA that will specifically lead to improvements in urologic care.

## EXAMPLES OF ACTIVITIES THAT WILL NOT BE FUNDED INCLUDE:

- Regional, national, or international conferences

The activity is to be completed within twelve (12) months of being awarded the grant.

All grant recipients are required to submit a report summarizing their experience to the Chair of the CPD Committee **within six months** of completion of the CPD activity.

Distribution of the grant funds will occur following receipt of the report and copies of budgeted expense receipts.
