

Rodney H. Breau

Dr. Breau is a surgical oncologist, scientist, and professor of urology at The University of Ottawa/Ottawa Hospital Research Institute. Dr. Breau serves or served on numerous American Urological Association and Cancer Care Ontario leadership committees and is currently the Chair of the CUA Guidelines Steering Committee. He is the primary investigator of several multicenter surgical trials in urologic oncology and is the co-lead of a national cohort study of patient with kidney cancer.

Dr. Breau attended medical school at Dalhousie University and did his urology residency at the University of Ottawa. He completed his urologic oncology and robotic surgery fellowship at Mayo Clinic and received a Master of Science in clinical and translational research from Mayo School of Graduate Medical Education.
