

# Julien Letendre

Dr. Letendre is an assistant professor of urology at the Université de Montréal, practicing at the CIUSSS de l'Est-de-l'Île-de-Montréal, with an expertise in the field of endourology. He pursued fellowship training under the mentorship of Professeur Olivier Traxer in Paris, solidifying his expertise in advanced endourological techniques.

Dr. Letendre is dedicated to the comprehensive management of stone disease, showcasing a particular interest for innovative technologies in urology. Currently serving as the Program Director of Urology at the Université de Montréal, Dr. Letendre's commitment to pedagogy extends beyond clinical practice, as he wishes to play a pivotal role in shaping the next generation of urologists.
