

Michael Leveridge

Dr. Leveridge is an associate professor in the Departments of Urology and Oncology at Queen's University in Kingston, ON, and was appointed Department Head for Urology in 2022. His clinical focus is urologic oncology, in addition to a general urology practice. Academic interests include the use and value of social media in urology.

He completed his medical degree at the University of Toronto, followed by urology residency at Queen's and urologic oncology fellowship at Princess Margaret Hospital and the University of Toronto.

A former residence program director, he is a recipient of the Canadian Association for Medical Education (CAME) Certificate of Merit Award. Dr. Leveridge is Editor-in-Chief of the Canadian Urological Association Journal, and previously the CUA's VP Communications.
