

Helen E. O'Connell

Professor O'Connell is the President of the Urological Society of Australia and New Zealand (2023–2025). An academic urologist based in Melbourne, she was Director of Surgery and Head of Urology at Western Health from 2016–21, Councillor for the Royal Australasian College of Surgeons from 2005–2014, and the Urology Lead for the Australasian Pelvic Floor Procedure Registry (APFPR).

She is a world-renowned anatomy researcher, with expertise in local anesthetic Botox injections and a recognized authority in female and functional urology.
