

Chris Harding

Chairman, European Association of Urology Guidelines Panel (Female Non-Neurogenic Lower Urinary Tract Symptoms)

British Association of Urological Surgeons Mesh Lead

Mr. Chris Harding is a Consultant Urological Surgeon at Newcastle upon Tyne Hospitals NHS Foundation Trust. He trained at the University of Cambridge, Addenbrookes Hospital Cambridge, Kings College London and Freeman Hospital Newcastle. He has a particular interest in bladder dysfunction, continence, neurourology, urinary tract infections and clinical research.

He is an Honorary Clinical Senior Lecturer at Newcastle University and is the Chief Investigator for the ALTAR trial: a UK multi-centre study looking at non-antibiotic options in recurrent UTI and co-Chief Investigator for the PRIMUS study: a UK multi-centre trial looking at primary care diagnostics of LUTS. He is co-chair of the NIHR National Benign Urology group and Urology lead for the Department of Health Modernising Scientific Careers MSc course. He is current chair of the European Association of Urology Guidelines Panel for Female Non-Neurogenic Lower Urinary Tract Symptoms and also immediate past Chairman of the executive committee of the British Association of Urological Surgeons Female Neurological and Urodynamic Urology subsection. He sits on the International Continence Society Urodynamics, Conservative Management of Male LUTS and Mesh Complications Committees.
