McMaster University*

SCIENTIFIC PROGRAM COMMITTEE

- **Rahul Bansal**
- **Mira Goldberg**
- **Kimmen Quan**
- **Stephanie Tatzel**

By the end of this meeting, participants will:

- Review the recent data updates for the treatment of genitourinary (GU) cancers
- Discuss regional opportunities to optimize the multidisciplinary care for patients with GU cancers
- Highlight studies that will help address ongoing questions for GU cancers

This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada and approved by the Canadian Urological Association.

You may claim a maximum of 7 hours of credit.
